Be A Friend

Dennis was a mime boy, a mime boy, a mime boy
Dennis was a mime boy and he got lonely sometimes

Dennis mimed a butterfly, a bike, a box and stairs to climb
Dennis was a mime boy but he got lonely sometimes

And if you want to be a friend….. jazz hands
Be a friend….. jazz hands
Be a friend….. jazz hands
Mime along with me

Then Dennis met a new friend, a new friend, a new friend
Dennis met a new friend and they didn't speak a word

They saw things the same way, they seesawed and they sailed away
Imagining the whole day, they didn't speak a word

And if you want to be a friend….. jazz hands
Be a friend….. jazz hands
Be a friend….. jazz hands
Mime along with me

it's like a mirror…… be a friend
don't have to speak a word….. be a friend
it's like a mirror….. be a friend
don't have to speak a word…. be a friend

cuz if you want to be a friend,
just be a friend,
then be a friend
just mime along with me

And if you want to be a friend….. jazz hands
Be a friend….. jazz hands
Be a friend….. jazz hands
Mime along with me

Just mime along with me
oh, mime along with me
