# ONE LOVE

Music by: Bob Marley  
Arr. Aaron Nigel Smith

One Love, one Heart  
Let's get together and feel all right.  
One Love, one Heart  
Let's get together and feel all right.  
Let's get together and feel all right.

Let's get together to light the world forever (*one love*)  
Because we see a time when life is brighter everyday. (*one heart*)  
Can we all learn to sing the song all as one?  
Can we shine around the world like the light of the morning sun?

One Love, one Heart  
Let's get together and feel all right.  
One Love, one Heart  
Let's get together and feel all right.  
Let's get together and feel all right.

We're going to shine so bright everyday like the sun.  
Like the rhythm of the drum, can we love everyone.  
One World, One Love, it goes on and on.  
Time for us to light the world, we do it one by one!

One Love, one Heart  
Let's get together and feel all right.  
One Love, one Heart  
Let's get together and feel all right.  
Let's get together and feel all right.  
Let's get together and feel all right.

# Lean On Me

Sometimes in our lives  
We all have pain We all have sorrow

But if we are wise  
We know that there's always tomorrow

Lean on me  
When you're not strong  
And I'll be your friend I'll help you carry on...

For it won't be long  
Till I'm gonna need somebody to lean on

Please swallow your pride  
If I have things you need to borrow

For no one can fill  
Those of your needs that you won't let show

You just call on me brother when you need a hand  
We all need somebody to lean on

I just might have a problem that you'll understand  
We all need somebody to lean on

Lean on me  
When you're not strong  
And I'll be your friend I'll help you carry on...

For it won't be long  
Till I'm gonna need somebody to lean on

You just call on me brother  
When you need a hand  
We all need somebody to lean on

I just might have a problem that you'll understand  
We all need somebody to lean on

If there is a load you have to bear  
That you can't carry

I'm right up the road  
I'll share your load If you just call me

Call Me

# Waverly Belmont School Song

Le-t us stand together and sing  
Letting our dreams take wing  
Let all our voices rise in harmony  
Building community

We are a bright rainbow.  
We shine wherever we go  
We will be brave and worthy everyday  
The Waverly Belmont way.

Hey hey hey We're here to say  
Let's do this the Waverly Belmont way.  
We're smart, cool and we love school  
We all work hard, that's our rule.

We love to sing, and dance and learn and play  
So everyone say hip hip hooray!  
Hip hip hip hip hip hooray!  
*(point to audience)* Hip hip hip hiphip hooray!

(Sing School Song again)

## **See You Again**

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again

Hey... who knew?

All the planes we flew

Good things we've been through

That I'll be standing right here talking to you

'Bout another path

I know we loved to hit the road and laugh

But something told me that it wouldn't last

Had to switch up

Look at things different, see the bigger picture

Those were the days

Hard work forever pays

Now I see you in a better place

How can we not talk about family when family's all that we got?

Everything I went through you were standing there by my side

And now you gon' be with me for the last ride

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again
