

I'll Think of You

Songwriters: Kurt Schneider

I'll think of you
As I go
So when I leave
You're not alone
And no matter where we are
We will never be that far
Cause I will think of you as i go

I'll think of you
As I dream
So when it's dark
You'll be with me
And no matter where we are
We can look up to the stars
And I will think of you as I dream

**Oh, it's a long and winding road (long and winding)
But you don't have to walk alone (have to walk)
Cause no matter where we are
I will keep you in my heart
And I will think of you as I go**

I'll think of you
When I'm down
When my heart
Is on the ground
And I'll never lose my way
Even when the skies are grey
Cause I will think of you when I'm down

**Oh, it's a long and winding road (long and winding)
But you don't have to walk alone (have to walk)
Cause no matter where we are
I will keep you in my heart
And I will think of you as I go**

Instrumental break

**Oh, it's a long and winding road (long and winding)
But you don't have to walk alone (have to walk)
Cause no matter where we are
I will keep you in my heart
And I will think of you
Yes, I will think of you,
Oh, I will thi---nk of you----
as I go**
